

Papyrus document with crop marks

Document size: 210 × 297 mm (A4)
Bleed size: 3 mm
Resulting paper size: 216 × 303 mm

Crop marks in this document are 4 mm lines in each corner of the paper, indicating where the paper should be trimmed. Crop marks are placed on the master page. Double click to edit them.

There is also a dashed grey frame indicating the final document size. This is a rectangle which is only visible on screen but not in an exported PDF. If it's not visible on your screen, turn on View > Show Invisible Elements.
